En ese momento, su mamá estaba leyendo un cuento de un hada que se comía un hueso y un hipopótamo atado a un hilo. Como tardaba mucho en leer el cuento, los niños decidieron comer. Entonces, cuando llegó la hora de la comida Herminio y su hermana solo querían un helado, pero en la cocina ven una olla de hierro y observan que echa humo y que huele tan bien que se ponen a comer, como hacía calor la mamá les pone hielo en un vaso de agua y olvidaron el helado.
